

March 2007

Dear Pastor, Church Family & Praying Friends,

"Grace be to you and peace from God the Father, and from our Lord Jesus Christ. . ."

We have seen the blessings of the Lord many times these last couple of months! After having a few weeks off the road in December, we have been back to traveling with meetings and conferences across our four state area. In January we attended the home church planter's conference at Heartland Baptist Bible College in Oklahoma City. It was good to see the concern for home missions and church planting in the United States.

In our last prayer letter we mentioned our desire to go back to Alaska this July to help in a summer camp for village children. I am greatly looking forward to this trip and am planning to take a couple of the children. (Cheryl will not be able to go due to the new baby who should arrive in late May or early June.) We have not yet booked our tickets, but are planning to leave July 5 and be there for about two weeks. I will also be able to visit back in another one of the villages with another missionary while I am up there. I am greatly looking forward to getting more insight into village life.

We are currently still returning to our home church while I continue to work, sometimes one to three days weekly, depending on my meeting schedule and availability. We have added three new supporting churches and continue to plan for full time deputation to begin this summer, after Cheryl and the baby are ready to travel. We pray for our support level to rise enough to meet our travels expenses and needs. I greatly look forward to being able to be on the road full time!

We are extremely grateful to everyone who sends their faithful support and prayers on our behalf. We have been tremendously blessed during this last year while beginning deputation and preparing for my call to Alaska. Without you all, I would not be able to answer this call and I appreciate all that you have done for me and my family.
