Dear Pastor, Church Family, and Praying Friends,

We are excited!! We have our plane reservations made and are heading to Alaska in June to spend two weeks back in the villages and at camp. Jenna, Erin and I are looking forward to spending a week with Bro. Jim Poelman who is a missionary in the village of McGrath, Alaska. Then, we will be spending the next week with missionary Bro. John Sleppy from Russian Mission, Alaska, in Bible camp. I am greatly looking forward to being able to go to the village of St. Mary's, which we have been praying about since our trip to Alaska last summer. Bro. Poelman is going out to St. Mary's, ahead of our trip, in hopes of making some contacts before our arrival there. We are excited about being able to see the village and meet some of the village people. I am praying for God's confirmation concerning St. Mary's and His call for us to begin a work there when we complete deputation. I ask that you would please be in prayer for us during this trip, June 10 through June 26, that God will show His perfect will concerning St. Mary's and "for a great door and effectual" to be "opened unto me".

The last couple of months have taken us to meetings in Texas, Kansas, Arkansas, and Missouri. We appreciate the generous love offerings that have helped tremendously with the rising gasoline prices which we all have encountered these last couple of months. We would like to extend a **BIG** thank you to the churches that have recently taken us on for support. We know many people are sacrificing to give to faith promise missions and we do not take your support or gifts lightly!

I would appreciate hearing from any churches who are willing to receive our prayer letters via email. With the cost of postage and other expenses, this will help us greatly in being good stewards with our support. If you could please send us an email and let us know that email prayer letters would be all right for you and your church we will be updating our emails with the next letter in July.
